## designer mixer faucet range

### M Series – “ROYALE”

The “Royale” is an attractive combination kitchen and purified water mixer faucet.

It has twin side levers for easy and functional variable flow operation. One lever is for mains hot and cold water mixer use and the other lever for purified water.

The “Royale” finish is polished chrome plated and features ceramic seated valves for silky smooth operation and long and useful life.

(220mm x 320mm high)

### M Series – “AVANTE”

The “Avante” is a combination kitchen and purified water mixer faucet.

It has a top mounted lever for mains hot and cold water mixer use and a base mounted control knob for variable flow purified water.

The “Avante” finish is polished chrome plated and features ceramic seated valves for silky smooth operation and long and useful life.

(250mm x 175mm high)
